## Capuchin Vocation Update Province of St. Joseph

### Capuchin vocation website updates Capuchin video page!

Candidate Alfonso Ruelas' photo is our banner picture on the updated Capuchin Video webpage.

The Midwest Capuchin Vocation Office thanks many of you who have complimented the "Capuchin Videos" page of our website and suggested changes for improvement. We have listened to those suggestions and have begun to use new software (DivX) to play the videos. While requiring a little more time to download each video, DivX provides a superior visual image and audio to our previous software. We are sure the improved quality will be worth the short wait required for the download.

To further celebrate this upgrade, we have also added a new video on the House of Peace in Milwaukee, Wisconsin. This new video is currently being used by the House of Peace as part of a capital campaign to raise money for a much needed expansion. We post it not to ask for a contribution to this worthy cause, but because it offers a wonderful summary of the touching story that occurs every day at this important Capuchin ministry in Milwaukee.

In order to check out the changes, visit: [www.capuchinfranciscans.org](http://www.capuchinfranciscans.org). Upon arrival

at the homepage, click on the "Capuchin Videos" button to the left of the page. Our thanks go to Bro. Mark Carrico, director of the House of Peace, for allowing us to use this beautiful video.

And if it has been a while since you have traveled around our website, why not take this opportunity to see other new items like the "Recent Events" page. Or check out future vocation events on the "Upcoming Events" page. Most of all, *thanks* for visiting our website!

Candidates are encouraged to attend the  
Detroit Capuchin Ministry Weekend:  
20-22 October 2006.

Reservations are required.

New inquirers are welcome!
