Capuchin Vocation Update

Province of St. Joseph

Evening Prayer and Rooftop Cookout

With postulant-to-be MJ Groark organizing evening prayer; fellow postulant-to-be Phil Gardner on the grill; good weather; and a fun group of candidates, Capuchins, and guests; all the pieces were in place for a great afternoon and early evening in the sun. After a prayerful time in the St. Clare Friary Chapel, the group, including 7 candidates, gathered on the warm and breezy rooftop for a nice Chicago experience of fun and fraternity. Candidates came in from Chicago itself and beyond. Traveling the furthest were Robert Wotypka, taking the train from Detroit, and Tyler Stamm driving in from Kewaskum, Wisconsin. Phil, using a YouTube video on how to use a sewing machine, made these bean bags from scratch according to the strictest rules of the American Cornhole Association. MJ and Jerry made the cornhole boards the day before.
