## Investiture Program Group Photo

After roughly ten months of the Postulancy Program, men from Capuchin provinces across North America and also two men from Ireland and Australia are about halfway through the two-month Investiture Program held at St. Fidelis Friary in Victoria, Kansas. This program is meant to prepare the guys for the year-long Novitiate Program. When they begin the Novitiate Program, they will be invested with the Capuchin habit. Keep them in your prayers as they continue formation into the Capuchin way of life and also bring their own unique gifts to the Capuchins and the wider Church.
